Job Description:

YTC America Inc. (YTCA), the North American corporate research and development center of Yazaki Corporation is conducting a search for a full-time Facilities Technician to add to the team. The qualified candidate will be responsible for assisting in the maintenance and repair of the facility and R&D equipment, and supporting Facilities in maintaining daily operational functions. The duties include:

- Ensure timely repair, maintenance, and service-scheduling for facility fixtures, machinery, and equipment, including:
 - HVAC systems – experience with gas-fired chillers is a plus.
 - Lighting systems and fixtures.
 - Facility and equipment electrical systems.
 - Building Management System (BMS).
 - Various laboratory and R&D equipment (e.g., spray coating, sintering furnaces, humidity chambers, etc.).
- Provide timely support of R&D personnel, including:
 - Completion of assigned work orders according to assigned priorities.
 - Equipment installation and removal.
 - Ensure HVAC supply and exhaust quantity and quality.
- Act as point of contact for contracted workers while on-site.
- Keep management informed of any deviations to procedure and policy.
- Performs additional Facilities duties and tasks as needed.

Requirements:

- Minimum high school diploma or GED required, and some college preferred.
- Requires minimum five (5) years, with ten (10) years preferred, in industrial Facilities operations and knowledge of current applicable regulations.
- Ability to properly diagnose electrical issues and interruptions; ability to perform moderate repairs preferred.
- Ability to properly diagnose HVAC issues and interruptions; ability to perform moderate repairs preferred.
- Experience with computerized control systems (e.g., PLC, BackNet, etc.) is a plus.
- Forklift certification or prior experience with forklift operations is a plus.
- Excellent ability to interact with people in a positive and courteous manner.
- Ability to work in a team environment.
- Strong written and verbal communication skills.
- Basic knowledge of Microsoft Office Applications, specifically, Outlook, Word, and Excel.

- Ability to spend extended time walking, bending, stooping, and climbing stairs and ladders.
- Ability to lift 50 lbs.

YTCA offers a state-of-the-art research facility, competitive compensation, and an excellent benefits package:

- Health, Dental, and Vision Insurance.
- Health Savings and Flexible Spending Accounts.
- Employee Assistance Program (EAP).
- Paid Holidays, Vacation, Personal Time, and Paid Sick Leave.
- Life and Accidental Death and Dismemberment Insurance, Voluntary Life Insurance, and Short and Long-Term Disability Insurance.
- 401(k) Plan, and Employer and Safe Harbor Matching Contribution.
- Bonus Program.
- Educational Tuition Reimbursement.

Qualified candidates are requested to send cover letter and resume to hr@ytca.com. Reply Code: FAC-2019.
